

# Lucy's Hot Sock Tips!

## The little things that make the difference

3 hour class. Skill Level Intermediate.

### WORKSHOP DESCRIPTION

A wide ranging selection of Lucy's most important sock tips and tricks, including Modified Conventional Bind-Off (which may revolutionize your life), slipping stitches fast and easy, running yarn markers and wonderful hole-curing sutures. We'll introduce you to the Australian Cousins, play with new-to-you needle configurations, Alternative heel stitch, Scallop holes and other decorative edges and so much more besides.

### SUPPLIES

- A small ball of smooth wool-blend yarn (these need not be 'sock' yarns) in Worsted or DK/Sport (5 sts per inch or fewer) in two or more plain, light contrasting colours.
- *We will be working samples not a sock. Fine sock yarns and needles may be used, but is far easier to see the details of your stitches and techniques in larger yarns and solid, light colours.*
- 3 sets of needles: dpns and two circulars (one of which should be 100cm/ 40" or longer).
- Scissors
- Crochet hook
- Blunt darning needles
- Usual knitting paraphernalia

### HOMEWORK

Please bring a 40 stitch, 1 - 2 inch long tube of Stocking stitch on the needles. Work in a solid, light coloured Sport - Worsted yarn on appropriately large needles (3 - 5 mm/ US#3 - 8) use your favoured type of sock knitting needles (dpns, one or two circs).
